Role Overview:

As a Video Designer at Virohan, you will play a pivotal role in elevating our brand through captivating visual storytelling. We are not just looking for a skilled professional; we want a true artistic genius with a keen eye for detail and a passion for pushing creative boundaries.

Key Responsibilities:

1. Video Editing & Time Management:

- Display exceptional video editing skills, seamlessly weaving together visuals and narratives to create impactful content.
- Effectively manage project timelines, showcasing adept time management skills to meet tight deadlines without compromising creative excellence.

2. Storyboard & Template Development:

- Collaborate with cross-functional teams to conceptualize and develop compelling storyboards for various projects.
- Translate those storyboards into compelling visual content
- Devise strategic templates for video content across Instagram and YouTube, ensuring a cohesive and impactful brand presence.
- Stay afloat with industry trends to enhance and innovate template designs.

3. Scripting:

- Actively contribute to script discussions, bringing a unique perspective to enhance the narrative and visual appeal of each piece.
- Collaborate closely with the content creator & content writer to ensure alignment between script and visual elements.

Qualifications:

- A powerful portfolio that
- In-depth knowledge of color grading and cinematography principles.
- Strong artistic sensibility and a passion for staying at the forefront of design trends.
- Excellent communication and collaboration skills.

What Are We Looking for:

1. **Outstanding Skill Set:**
   - Efficient in motion graphic design, showcasing mastery in intelligent video design, color grading, and cinematography.
   - Bring a distinctive artistic flair to each project, setting our content apart in the competitive digital landscape.

2. **Audience-Centric Approach:**
   - Understand the nuances of each platform (Instagram, YouTube) and tailor content creation accordingly to maximize audience engagement.
   - Analyze and adapt to evolving audience preferences and behaviors.

What We Offer:

- An opportunity to make a meaningful impact on the future of healthcare education.
- A dynamic and inclusive work environment that fosters creativity and innovation.
- Competitive compensation

To apply, please submit your resume, portfolio highlighting your unique approach to visual storytelling.
