Associate Manager, Corporate Programme, Youthreach

Location: Delhi

About Youthreach
Founded in 1997, Youthreach is a national non-profit organisation based in New Delhi and works with target groups of children, youth and women through interventions such as education, health care, skill training and livelihood support.

The Corporate programme in Youthreach seeks to instil a sense of collective responsibility among corporates and businesses by creating spaces that enable corporates to reach out through volunteering, material contributions, capacity building, sponsorship, funding, training and employment. The corporate team at Youthreach designs, facilitates, manages and reports Corporate Social Responsibility Initiatives that are innovative, needs-based, collaborative and sustainable.
