ZENTRADES

JD – Content Writer

ZenTrades Company Overview:

Zentrades(https://zentrades.pro/) is a product start-up from the house of award-winning SaaS business solutions. Zentrades's founding team consists of UW Madison, UC Berkeley alumni with strong-domain knowledge having built top-notch products and implementing them at Fortune 500 companies.

Zentrades is on a mission to build a powerful AI-powered assistant enabling service businesses to focus and increase their sales metrics by scoring on lead opportunities which are ideally lost in the field. We are constantly mining recommendations to help service contractors gain efficiency and help them spend more time in front of customers, not computers. Our customers stay in control of their business and have visibility into the most important data and metrics required and we give them insights to do more. At Zentrades, we aren't a company of silos. Team members are empowered and encouraged to pursue

out-of-the-box ideas, think for themselves and make mistakes. We encourage you to challenge our status quo.

As our Content writer, you are responsible for the ongoing development of the Zentrades editorial voice through the creation of the brand, marketing and community content and copy. We help service professionals be great at what they do through our products, community and ultimately, lots of content.

@Zentrades, you will:

- Own and evolve Zentrades's brand voice and co-own our creative strategy with our design and marketing teams.
- Lead creative execution and copy for a wide range of initiatives and departments including large scale brand campaigns, long-form articles/blogs, online videos, digital and offline ad copy, in-product copy, cross-channel campaigns and community content.
- Help develop positioning and content strategies for existing and new Zentrades products and services.
- Work closely with marketing, product, community, sales, and customer success.
- As a member of the marketing team, you'll serve as the primary writer for our website, advertising creative and emails. Although we are a B2B company, we believe every communication should feel human-to-human.
- You'll work closely with cross departments to ensure a consistent brand voice across our channels.
- Develop a deep understanding of Zentrades product and its prospective customer audience, learning how to tell the right story to nurture new prospects into sales-ready leads
- Breathe new life into our website, ad creative & email campaigns
- Concept ideas that build awareness and make our brand famous
- Meticulously craft and proofread your work
- Help write valuable industry resources that position Zentrades as a media publication.
- Ability to conduct qualitative research (ie customer interviews, reaching out to internal employees, etc) to collect necessary material for your writing

You will fit right in, if you have:

- Bachelor's degree in - Literature, History, Journalism, Mass Communication, Languages, Sociology, and related fields
- The ability to think creatively and deliver clever concepts
- Editing/proofreading skills is a plus
- Ability to set priorities, meet deadlines and work independently
- Strong computer skills
- A storyteller who can turn a blank page into brilliance
- A problem-solver who sees every brief as a creative opportunity
- An idea generator who brings originality to the table
- A collaborator who proactively reaches across departments to make them work better
- A communicator who can present clearly and persuasively
- A results junkie who loves when creativity drives business
- A grammarian who knows when perfect grammar isn't necessary

The ideal persona we are looking for:

- Highly driven and hungry individuals with strong organizational skills
- Self-starter with exceptional persistence to excel in a quickly changing and unstructured environment
- Ability to remain calm under pressure while managing multiple events, and conflicting priorities
- Have high levels of personal accountability, sound judgment, and discretion in handling confidential information and situations
- Excellent written communication and interpersonal skills - conveying clear and impactful messages through various channels across levels and building strong, productive relationships

What's in the store for you?

- Chance to shape the strategic direction of the company and be a part of the growth story
- Colloborate directly with the CEO and core leadership team
- A chance to work on challenging problems and exercise creativity and leadership in your work
- A team of highly ambitious, fun and collaborative co-workers who will fight beside you in the trenches to accomplish the amazing
- A chance to feel passionate about your job and change the course of an entire industry
